Hedgehog Fact

Contrary to popular belief, hedgehogs are not rodents.

This most likely started because they are so often confused for porcupines, however, hedgehogs and porcupines aren't related at all, as hedgehogs are actually members of the mammal order Eulipotyphla.

This makes them closer to shrews, which also look like rodents.

For help and advice on hedgehogs contact Liz Dams, Trustee of Shepreth Wildlife Conservation Charity and Education

Officer at Shepreth Wildlife Park/
Shepreth Hedgehog Hospital **07947 361187**.

NOTICES & LETTERS TO THE EDITOR

Please send your letters & notices to bhn-editor@barhillca.org. Thank you!

Dear All,

On Tuesday (11th.) at around midday, there was a very unfortunate mishap when a little girl who was standing in her young mother's shopping trolley, lost her balance and fell backwards out of the trolley on to the floor, giving both her back and the back of her head a terrible bang on the floor.

The incident occurred just through the entrance barriers on the left hand side by the mobility scooters.

I immediately ran to see if there was anything I could do. Whilst there were no obvious signs of cuts, there was the likelihood of severe bruising to the little girl's back as well as the possibility of concussion as she had given her head quite a severe bang. I did suggest that she should visit her Doctor and that, if the child showed any signs of feeling tired or yawning a lot or had a headache, then she should immediately go to her GP as this could indicate concussion.

By now, we had been joined by another member of the public who, at the time, was enjoying a cup of coffee.

Thankfully, a bag of sweets seemed to help take the pain away.

Now I am not interested in the rights and wrongs of the little girl standing in the shopping trolley, but, if the young Mum is reading this, perhaps she could let me know, through the pages of the Bar Hill News, what the outcome was.

Crafts Shed Shedders Require New Premises

CraftsShed has now moved into the Octagon Meetings room, Meeting on Thursday Mornings from 0930 to 1230. Whilst extremely grateful to the Leadership of Bar Hill Church for letting us do this we still require new accommodation of approximately 60 to 80 Sq Metres. We are working with both the Parish Council and County Council to help find and secure a suitable venue. We believe purchasing a Unit for ourselves will be in the Region of £25K.

CraftsShed is a Registered Charity supporting our local Community. Many various benches have had a makeover in our village in the Children's Playground, Tennis Courts, Allotment Society and also near the Scout Hut.

Harris and Hoole have kindly offered for us to have a small display. Please visit the coffee shop and purchase if you can. If you cannot see what you want then contact those below.

Individuals will continue to help make items, and as a group we will undertake small projects for our Community. There will be a display outside of the Octagon weather permitting.

If you are over 18 and would like to come and join us, please contact Chris or Nick below.

If you can help us, please call Chris Stannard **07711 623425** or Nick Gunton on **07484 2555214**

About us

Bar Hill Church is an ecumenical partnership working with the Church of England, the Baptist Union, the Methodist Church and the United Reformed Church. We also have covenant agreements with the Roman Catholic Church and the Society of Friends (Quakers). We are currently without a minister following the retirement of Charles earlier this year. The vacancy has been advertised and a recruitment process is underway. Our regular church services continue, led by either one of our licensed lay ministers from within the congregation, or by visiting clergy (where they are named above).

Helping Hedgehogs in November

Remember, remember The 5th of
November, hedgehogs will have begun to
hibernate.

Most hedgehogs have begun to hibernate
during November and will normally
remain in this state until March of the
following year. This is a particularly
dangerous time for hedgehogs as often the
chosen place to nest will be in an already
prepared bonfire waiting to be lit. A
bonfire should only be prepared on the day
of lighting to prevent hedgehogs from
being burnt.

8 O'clock Club

The 8 O'clock club was started in 1973 as
a monthly meeting for women of all ages
who live in the village. Due to covid we
took a break from March 2020 only
returning for our first meeting last month.
Our meetings take the form of speakers or
demonstrators and we also have a
Christmas meal, Birthday party and garden
party.

Our next meeting is on the 6th October in
the school at 7.30pm (please note new
time). The fee for this year until
September 2023 is £10 for the year plus £1
each meeting to cover refreshments and
raffle.

For members who paid in 2019 they will
not have to pay the £10. Future dates in
2022 are 7 November and then either 1/8
December.

If you would like to come for a visit,
please feel free to join us at any future
meeting. If you would like further details
please phone Barbara, **204171**, Adela
204265 or Ann **204687**.

SAXON PARK/ BAR HILL SKATEPARK

Nearly there!

Our last meeting, held on the 11th October, was centred around getting updates regarding contractors and also the proposed Parish Poll (pending approval by the Parish Council).

We are still committed to offering a Skatepark for the village with a maximum cost of around £1/ month (for a Band C property).

As I'm sure any of you who are trying to tie down builders can imagine we are now running into problems related to availability of contractors to provide quotes. We have a finished design, and we're hopeful that by the next meeting we have ballpark figures from contractors that we can start looking at.

If you'd like to come along to our next meeting it will be on Tuesday 8th November in the Fox at 18:15.

Would you like to be involved??

OUT WITH STRANGER DANGER IN WITH CLEVER NEVER GOES

CLEVER NEVER GOES is the new campaign that teaches children how to stay safe from abduction whether they are outside or online.

It's the modern, child-friendly alternative to the out-dated and fundamentally flawed 'Stranger Danger' message. Rather than fearing the worst in everyone they don't know, Clever Never Goes helps children to recognise specific situations that are unsafe and gives them the tools to respond.

The aim of the campaign is for every primary school child to be taught Clever Never Goes. Already over 2,000 schools have downloaded our free lesson packs, and it is already working to keep children safe.

Since the "Stranger Danger" campaign was introduced around 50 years ago in the 1970's its message has been fundamentally flawed. Most strangers would help rather than harm a child, and many people that do pose a risk to children are not strangers. Furthermore, it demands that all strangers should be treated with suspicion, which breeds fear in our communities. This has directly led to children spending less time outdoors, fuelling a rise in obesity and mental health problems. Add to this, children are spending more time online, increasing their risk of being groomed. Now is the time for a new approach that aims to create safer, happier, and healthier children.

The CLEVER NEVER GOES rule means children shouldn't go anywhere with anyone - even if they know them - if it hasn't been agreed in advance by a parent or guardian. And please remember, children learn through repetition so make sure you remind them regularly of CLEVER NEVER GOES when they're going outside or online.

THE RULE:

**If anyone asks you to go - even
someone that you know - if it
hasn't been agreed, remember:
CLEVER NEVER GOES**

Primary School

MACMILLAN FUNDRAISING

EVENT - We were delighted to welcome Parents and Carers into school on the 28th September for our Macmillan Coffee Morning. Many thanks for all the amazing donations of Cakes, Bakes and Biscuits, it was lovely to see so many parents in school and the children also enjoyed a Cake Sale at morning break. We are delighted to have raised £336.21. Thank you so much for your support.

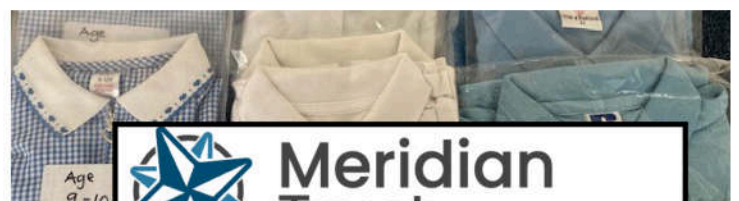

BURWELL RESIDENTIAL TRIP -

Year 4 went on a residential trip to Burwell. They were absolutely superb and got commended as being one of the best year groups the educational tutors had ever had. They walked along Devil's Dyke from Reach to Burwell then spent the afternoon making beds and completing challenges round the grounds of Burwell House. The children took on the teachers in a night-time jelly baby game before enjoying hot chocolate and getting into bed. Some of them even slept! They also

took part in some map work and grid-referencing as they solved the mystery of Mr Peak's smugglers. The children were tasked with a range of team-building activities to win 'eggs' which were used as payment for resources in their 'Great Eggscape' challenge. Despite strong competition from Eggy Peggy, Egg Sheeran and The Grand Old Duke of Yolk, Team Eggy won the competition. A cracking time was had by all! On the final evening they had a campfire with toasted marshmallows and a sing song. Not only did the children behave impeccably around the fire, they also sang beautifully. Despite a reluctant (early) start, beds were stripped, bags were packed and breakfast was consumed on time and without complaint. Then commenced a guided walk around the village – an opportunity for the children to apply their new-found map skills and develop their local knowledge before returning home.

SECOND HAND SCHOOL UNIFORM

– We have now set up a second hand school uniform exchange. Many thanks to everyone that has been donating their unwanted uniform. This is available from the school office to all families. All we ask for is for a monetary donation or your unwanted uniform in return, if you are able.

Bar Hill Church Knit & Natter

We are now regularly meeting again in The Octagon from 1.15 pm on Thursday until 3.00 p.m. It has been lovely to welcome back our established members as well as welcoming some new ones. All are welcome.

As a well established group, we enjoy our knitting and definitely enjoy nattering. Part of our afternoon's programme now includes some much needed stretching and strengthening exercises aptly led by Wendy and then there is always the tea and cake!

We continue to knit for any charity that requires our out-put and mostly baby clothes and blankets which are needed by several organisations. We are always very grateful for donations of wool to complete our garments and projects and I would be pleased to collect any wool you can spare, or bring it along and meet us all.

We have recently enjoyed a Jubilee Party together and offered Her Majesty the Queen a toast of grateful thanks for her outstanding reign of service. An enjoyable time was had by all.

This group is right for anyone who wants to make new friends and find out more about what is going on in the village and to be included in events as they happen. You will be most welcome to join us.

For more information please phone me. Sue Kenchington **780260**.

Bar Hill Village Hall

The Hall was first built in 1978 for use by the residents of the village as a social centre; a place to meet and to hold educational and recreational classes for the community. This founding principle is the corner-stone of the Village Hall's life today, with hundreds of members of the local community using the buildings every week, including a number of regular hirers based both within the village and the surrounding area.

Facilities and Governance

The site has undergone various small extensions and a complete rebuild over the years to continually improve the facilities such as the provision of WiFi.

The large Main Hall has multi-purpose vinyl flooring, making it flexible for all types of events. There is a kitchen alongside the Hall with a serving hatch, making it useful for self-catering at parties, discos and the like. The licensed bar can be booked on request and will be serviced by the Sports and Social Club. The Hall opens out onto a large patio area that is ideal for external activities or a spill-over for internal events and has two bolted gates that lead off the premises.

There is also a small Meeting Room, with its own independent access and great for meetings of up to 10 people.

The Village Hall is a UK-registered charity (number 1002579) and run by a committee of trustees who are committed to the on-going development of the Village Hall's role as a key community facility.

To make a booking, please visit our web site **barhillvillagehall.com** and then email **enquiries@barhillvillagehall.com** to confirm arrangements.

Alternatively, call **01954 782414** and leave a message. We aim to return calls within 24hours (Monday to Friday).

The month of October has seen the leaves falling and we have taken this opportunity to use the conkers, sticks and leaves of a variety of colours in our activities. You may have noticed if you have passed by us on the village green this week that we have the children's wreaths displayed on our windows.

Our families have taken part in a scavenger hunt to raise money for the 'MacMillan Coffee Morning'. Our story for this week has been the 'Shark in the Park', followed by the 'Shark in the Park on a Windy Day'. The children have re-enacted the story by taking a trip to the local park with their crafted telescopes. The children absolutely loved their trip to the park and have received a certificate for participating in the scavenger hunt.

We are looking for donations of the following if you can find any spare: wooden curtain rings, guttering and plastic piping, cotton reels, wooden/Jute coasters, electric cable reels and old electric switch sockets/dimmer switches, any wicker trays/baskets. If you have any of the above, please contact the telephone number below to arrange a suitable collection time. Thank you!

Interested in finding out more and booking a place for your child? Contact enquiries@barhillpreschool.co.uk or call 01954 782892. You could also visit our website www.barhillpreschool.co.uk for an enrolment form.

Children are offered places from the age of two years old. We are open 9am-3pm in term time only. Funding and Childcare payment schemes are accepted.

Cashback website are a great way to receive money back from your shopping, utilities and insurances. My general rule of thumb with Cashback websites is to only buy the product or service you would have purchased otherwise. Occasionally a Cashback does not track (for best results use their apps) and Cashback can be slow with some companies, but overall it is worth the seconds it takes to click on a link.

The two biggest cashback websites are Topcashback <https://tinyurl.com/yc7smwz5> (£10 sign up bonus with this link) and Quidco <https://tinyurl.com/597tefnp> ((£1 sign up bonus with this link), both also offer a premium cashback service however I do not believe they offer value for money.

Flu Vaccinations

Please support your surgery and contact our receptionists to book your appointment.

The flu vaccine is given free on the NHS to adults who meet certain criteria.

The surgery is only able to administer the free flu vaccine to those eligible under the NHS. If you are not eligible and choose to have the vaccine privately, this can be purchased from the Pharmacy.

Enhanced Access to GP

Local GP practices are working together to offer patients evening and weekend appointments in our area. Over Surgery is now open on Saturdays and other local practices including Milton Surgery have evening appointments. That means you will be able to see a GP, nurse or other health professional at a time which is most convenient for you.

These are pre-bookable routine appointments face to face with a Doctor, Nurse, HCA or Phlebotomist and are provided by the Cambs GP Network. Services offered are:

- Consultations (GP & Advanced Nurse Practitioner)
- Nurse appointments offering dressings, asthma and diabetes reviews, contraception reviews, etc.
- Health Care Assistant appointments offering ear irrigation, wound care, blood test, etc.
- Phlebotomy: Routine blood tests are available within our Extended Access Clinics
- Cervical Screening

These appointments are available to ALL of our patients registered at Willingham

and Longstanton surgeries.

Please contact the Willingham reception team on **01954 260230** to book an appointment, as the Over surgery will only be able to book in their own patients.

Please note that your consent for our clinician to view your medical record will be required in order for an appointment to be booked for you.

If you are unwell over a weekend you would need to call 111.

Please see <https://www.cambsgpnetwork.nhs.uk/gp-extended-access-1> for more information on sites and opening times or ask.

My Care Record

Your GP, hospital, community health, mental health and social care teams may all hold records about your care separately. Often, only health and care professionals within the same organisation can see this information. This means it can be difficult for them to work together to deliver the best care. When information is made available in a more joined-up way, health and care professionals can provide faster, more effective care.

Health and care organisations in our region are working together to implement a new approach called My Care Record.

Wherever possible, health and care professionals will be able to access your records from other services when it is needed for your care. For example, a hospital doctor, community nurse or social worker involved in your care could view the information they need from your GP record.

For More information and FAQ's please visit <https://www.mycarerecord.org.uk/>

Staff

Although we are sad to announce that Catherine Trippier has moved on to another career opportunity, we are delighted to welcome Charlie McDowell who joined Maple Surgery on 1st September 2022 as Practice Manager. Charlie comes from a family who are already working in the NHS. He has experience managing within the healthcare sector from a private perspective. He has stated his aim "to increase patient engagement and make positive changes where necessary, to give the people of Bar Hill the healthcare they deserve". I am sure that he will be welcomed by both staff and patients.

Missed Appointments

Following on from my report of missed appointments last month, we are still reporting 7 hours of nursing time missed and an increase to 2 hours of GP time missed in August due to patients not attending booked appointments.

If you are not able to attend an appointment we would really appreciate it if you can ring to cancel your appointment; these are appointments that we could then offer to another patient and would help reduce waiting times to see a nurse or doctor.

Flu vaccinations

The flu vaccination programme has been a great success so far. Our wonderful nurse Donna has been leading the programme along with our HCA Lyudmila Pancheva supporting the roll out. Donna has completed all home visits in the area for flu vaccinations. Final figures for

the vaccination rates for the patient base will be published next month following its conclusion.

Please contact the surgery to book your flu vaccination.

Autumn COVID booster vaccinations

Please note that we are not able to offer COVID booster vaccinations. If you are eligible you will be contacted by the national booking centre in due course. If you have any queries concerning the COVID vaccination please call 119 who will be able to advise you.

● HOW WILL YOUR FENCE LOOK AFTER ANOTHER UK WINTER? ●

COLOURFENCE - no painting or repairs for 25 years!

Don't wait until your fence breaks down. Prevention is better than cure!

Maintenance free and great value too!

As autumn takes hold, we hear from customers who choose ColourFence because their old fences have blown down or rotted through, causing anxiety about pets escaping or even unwanted intruders. This, paired with the fact that there is no need for ongoing maintenance allows them to break the expensive, monotonous cycle of painting, repairs and replacement. ColourFence is guaranteed not to warp, crack, shrink, rot or peel for 25 years. Making it one of the world's best maintenance-free fences. And, unlike other fences, ColourFence can withstand gusts of wind up to 130mph. There's a choice of colours to harmonise and enhance your garden's design. You'll find our prices surprisingly competitive too. Why wait until an urgent replacement is needed? To see the full product range, call us today and find out why it makes sense to choose ColourFence.

To see our wide choice of sizes, mix and match colours and designs contact us today!

- Guaranteed* not to warp, crack, shrink, rot or peel
- Withstands wind gusts of up to 130mph
- No painting or repairs for 25 years!
- Create your look with a choice of colours, designs and sizes
- No risk professional installation

Despite many coats of preservative, the structure of the wooden fence in our front garden rotted, and a recent storm sent it off down the road, thankfully missing the neighbour's car. However, every cloud has a silver lining, and we couldn't be more pleased with our new ColourFence. It looks great, and we are looking forward to years of summers with no fence paint or algae treatments.

MADE IN BRITAIN

Wildlife Gardening in November.

Winter is the time when wildlife needs an extra helping hand to ensure the birds, hedgehogs and other visitors to the garden make it through the colder months.

Birds rely on berries and seeds to keep the food supply up during the winter months, so if you are using berries for Christmas decorations and have netted them for protection consider leaving some berries for the birds as well.

Continue feeding birds throughout the winter including putting fresh water out each day. Sit feeders or nest boxes at a high level, to make them less accessible to cats.

After autumn pruning don't dispose of all the rotten wood and bark. This provides much-needed shelter for many overwintering insects including ladybirds.

Don't worry about sweeping up all the leaves because they can provide shelter for a range of mammals and insects.

Among the best hiding areas is under hedges, which should remain dry and relatively warm.

BLUE BIN SIDE WASTE

If you have extra recycling that needs to go out with your blue bin South Cambs DC in order to ensure it's collected please;

- Secure cardboard (tape or tie together) in one bundle which would fit inside the bin with the lid closed if there were space. Please don't leave it out in the rain!
- Put other recycling in one transparent sack. No black sacks
- Put any glass bottles and jars inside your bin, not the sack, for safety reasons
- If you always need to put out extra recycling, order a free extra blue bin via the South Cambs website

Hopefully this guidance will be useful in the run-up to Christmas which is the time of the year when a lot of additional waste is generated!
